**Willem Mbenga & Ndaudacco Shatipamba,**

On behalf of the Karibib Football Club, we were so pleased to hear about your call up by the **Erongo Regional Team**. We know that you well deserve the recognition and the increased responsibility. You are now an ambassador to the young footballers in Karibib and the nation at large.

Congratulations, we know what kind of effort goes into earning such an achievement and how hard you must have worked to get there.

You deserve to feel proud, and we hope you have many more opportunities to see how your patient and tireless commitment to sports has paid off.

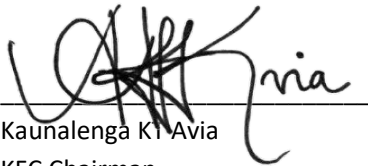

Always remember what Karibib Football Club says to you – to be successful in football, you must ensure the following, commitment and discipline are the recipe to achieve your dreams and always remember to respect and appreciate where you are coming from.

Please live on the Karibib Football Club Vision and Mission:

**Our vision** is to be the best soccer development project and a competitive football club that is non-discriminatory and striving for exemplary young Namibian citizens -with the main purpose being the production of professional footballers for the benefit of the football industry in Namibia and the international region.
